

THE NORTHWEST Ohio League will pick its all-star basketball team Monday night at a meeting at Delta.

Archbold, which enters the league in the autumn, will join the seven members at the meeting.

The group will discuss the following recommendations made by athletic directors of league schools recently:

1. A league track meet at Napoleon May 10-11 with May 12 as an alternate date.

2. A league golf meet at Bryan May 14.

3. Splitting the 1960 football preview between two sites with four teams playing at Delta and four at Montpelier.

No school has adequate lockerroom facilities for the eight teams which will be in the league when Archbold becomes an active member.
