

## 2020 NWOAL Policy for League Championships

Date: August 19, 2020

Because of Covid-19 and the possibility of all teams not finishing all league games in 2020-21, it was decided a school would need to play a minimum of 4 games in a sport for a championship.

If all games were not completed for volleyball or football, the champion would be the team with a higher percentage of wins/minimum of 4 games.

If all games were not completed for either the boys or girls soccer season, the champion would be the team with a higher percentage of possible points/minimum of 4 games. In soccer a school is awarded 3 pts for a win and 1 point for a tie.
