

2020 NWOAL Policy for League Championships

Date: August 19, 2020

Because of Covid-19 and the possibility of all teams not finishing all league games in 2020-21, it was decided a school would need to play a minimum of 4 games in a sport for a championship.

If all games were not completed for volleyball or football, the champion would be the team with a higher percentage of wins/minimum of 4 games.

If all games were not completed for either the boys or girls soccer season, the champion would be the team with a higher percentage of possible points/minimum of 4 games. In soccer a school is awarded 3 pts for a win and 1 point for a tie.

2020-21 NWOAL Policy for League Championships

Amended: November 11, 2020

If all games were not completed for boys or girls basketball, the champion would be the team with a higher percentage of wins/minimum of 4 games.
